SUNRISE . . .

Regit 1975

Volume XIX

South Plainfield High School

Swiftly flow the days . . .

What words of wisdom can I give them . . .

Blossoming even as we gaze . . .

Now they must learn from one-another . . .

They look so natural
together . . .

Day by Day . . .

Wasn't it yesterday . . .

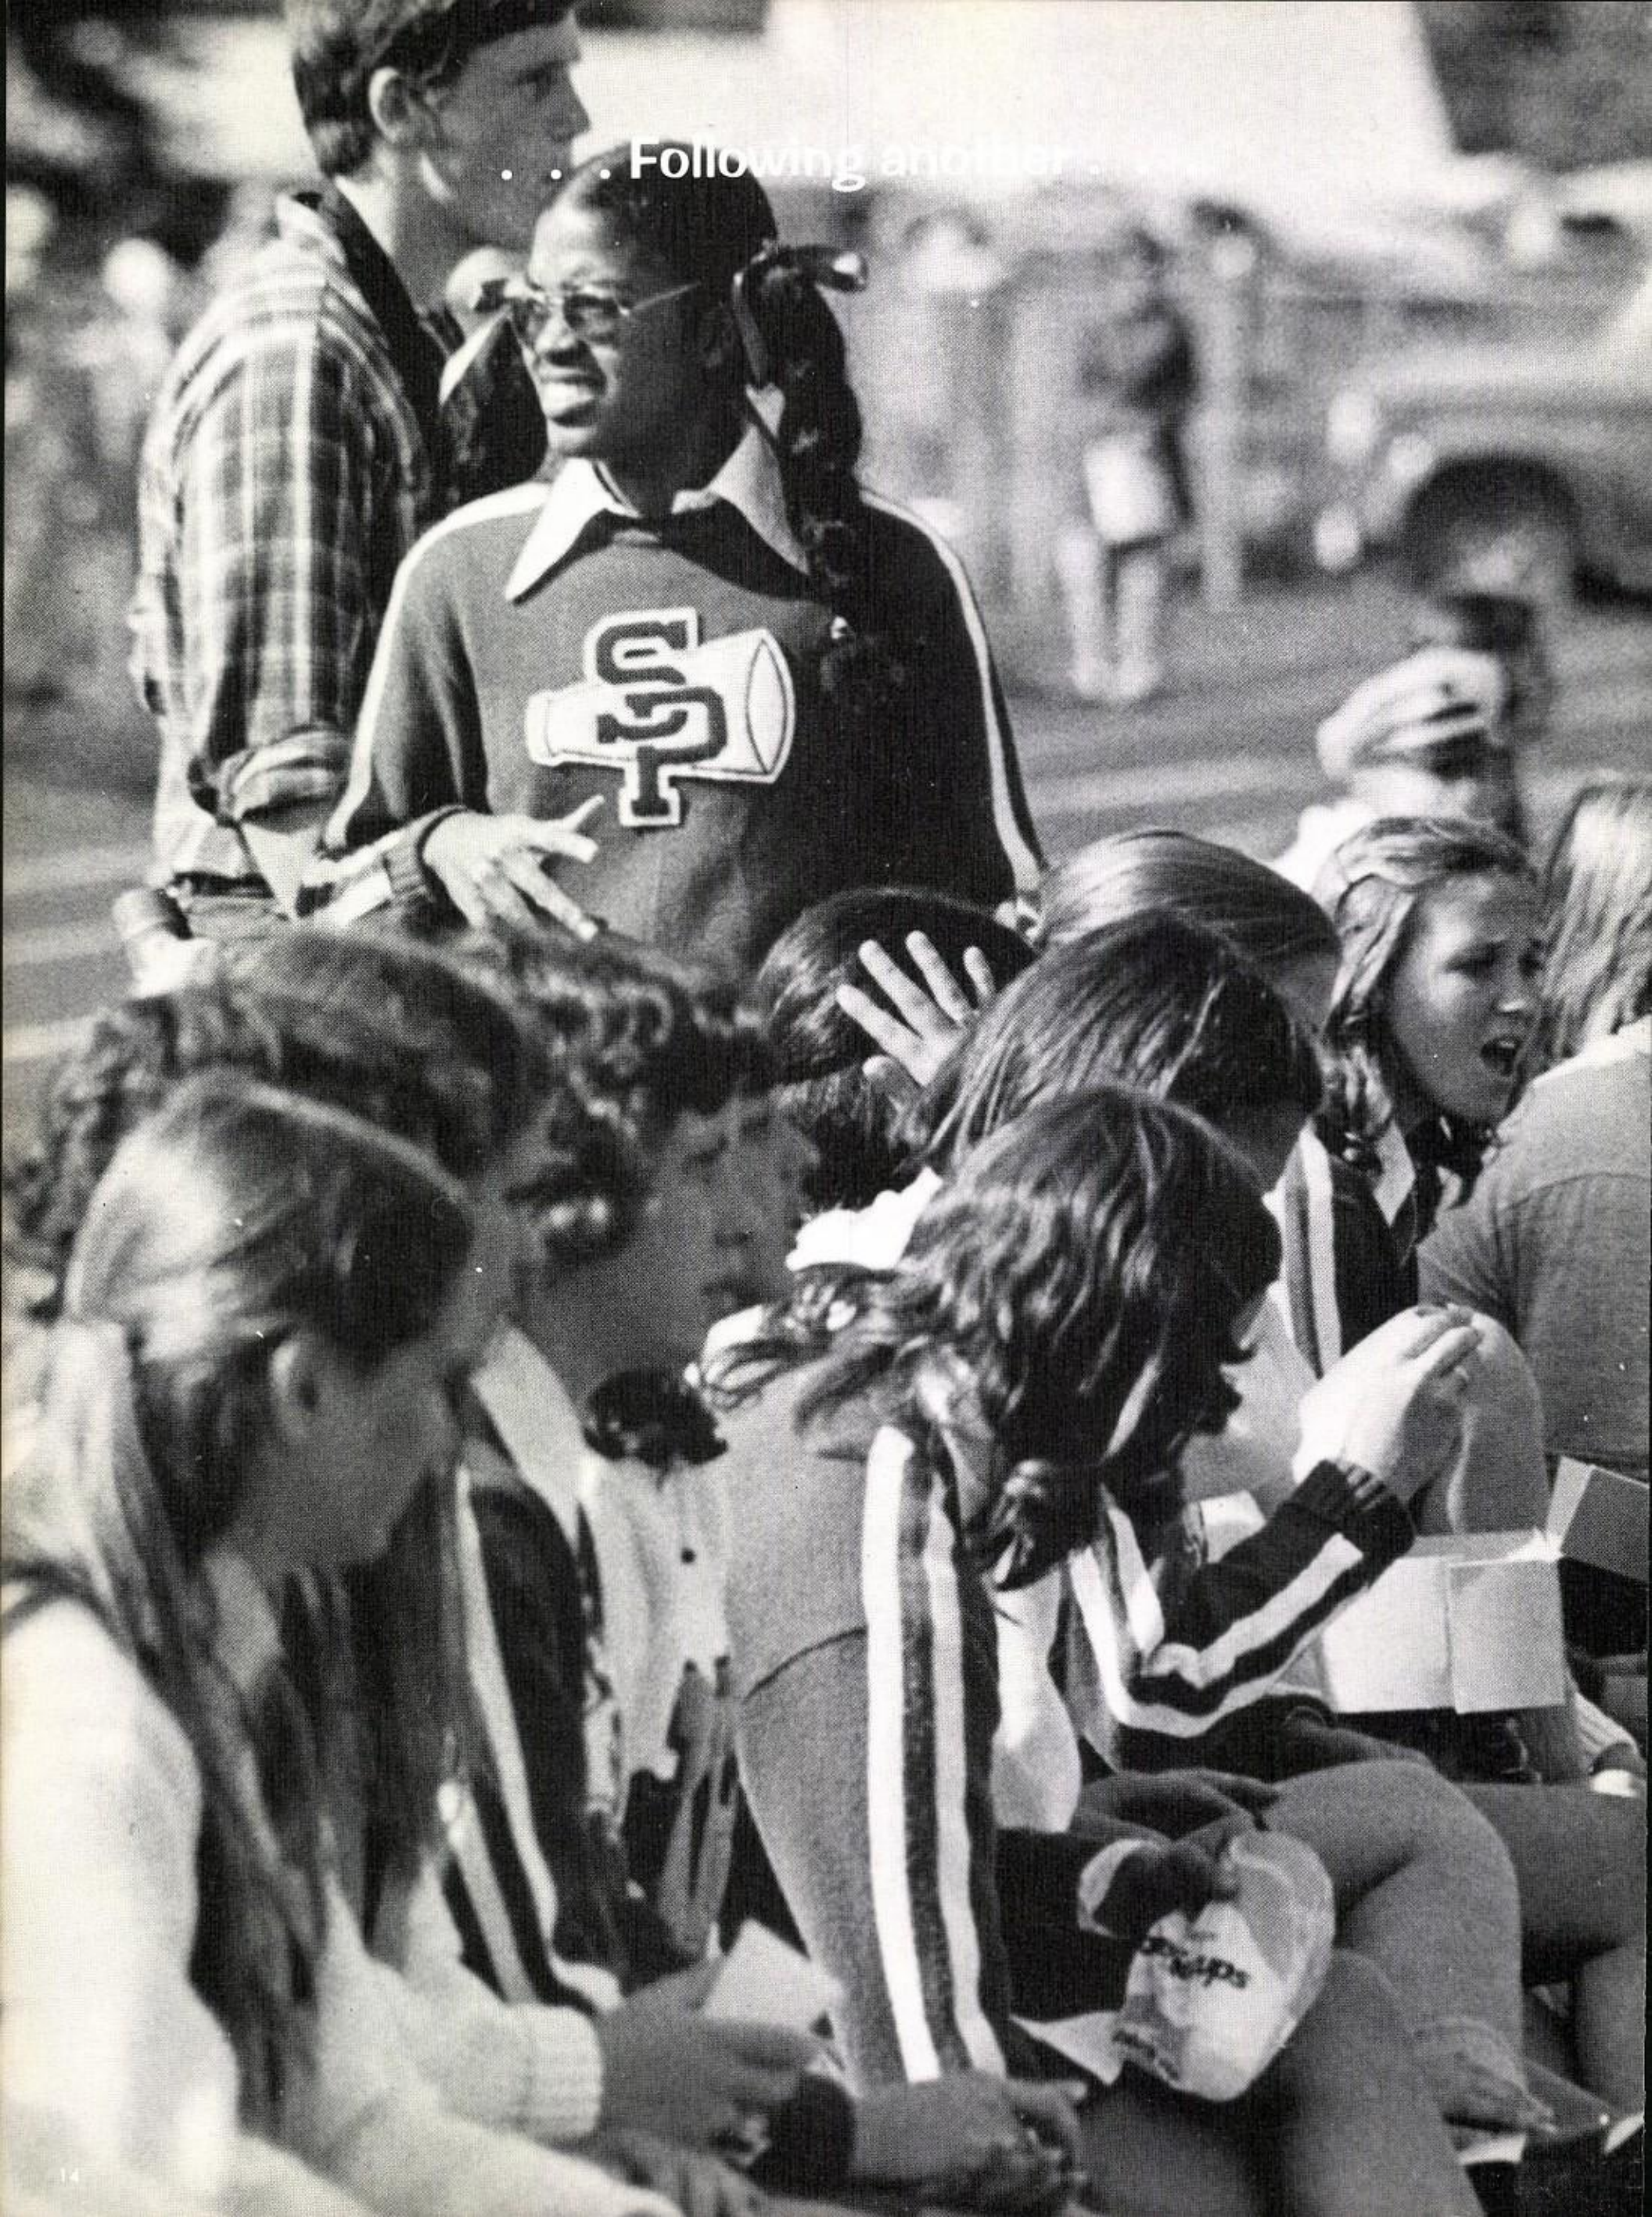
When they were small . . .

Is this the little boy that played . . .

When did he grow to be so tall . . .

How can I help ease their
way?

One season . . .



. . . Following another [illegible]

. . . Laden with happiness . . .
and tears . . . .

I don't remember growing older, . . .
when did they . . .

Sunset . . .

RICHARD SANDS

To His Memory

In Spring, 1974, South Plainfield lost one of its finest educators, Mr. Richard Sands. His fourteen years of service to our high school extended beyond the teaching of students, for he extended a portion of himself into everything he did. Mr. Sands, through his warmth and integrity, taught both students and colleagues alike the true meaning of friendship. Beyond the classroom, he was concerned and loyal to what we hold dear as our South Plainfield traditions —— attending our sports competitions, supporting our causes, meeting the needs of the students.

We who remain at South Plainfield must, out of love and respect, endeavor to carry forth the ideals that were so much a part of Mr. Sands. His passing has caused all of us to pause, for we have lost much more than a member of the faculty; we have lost a dear friend.

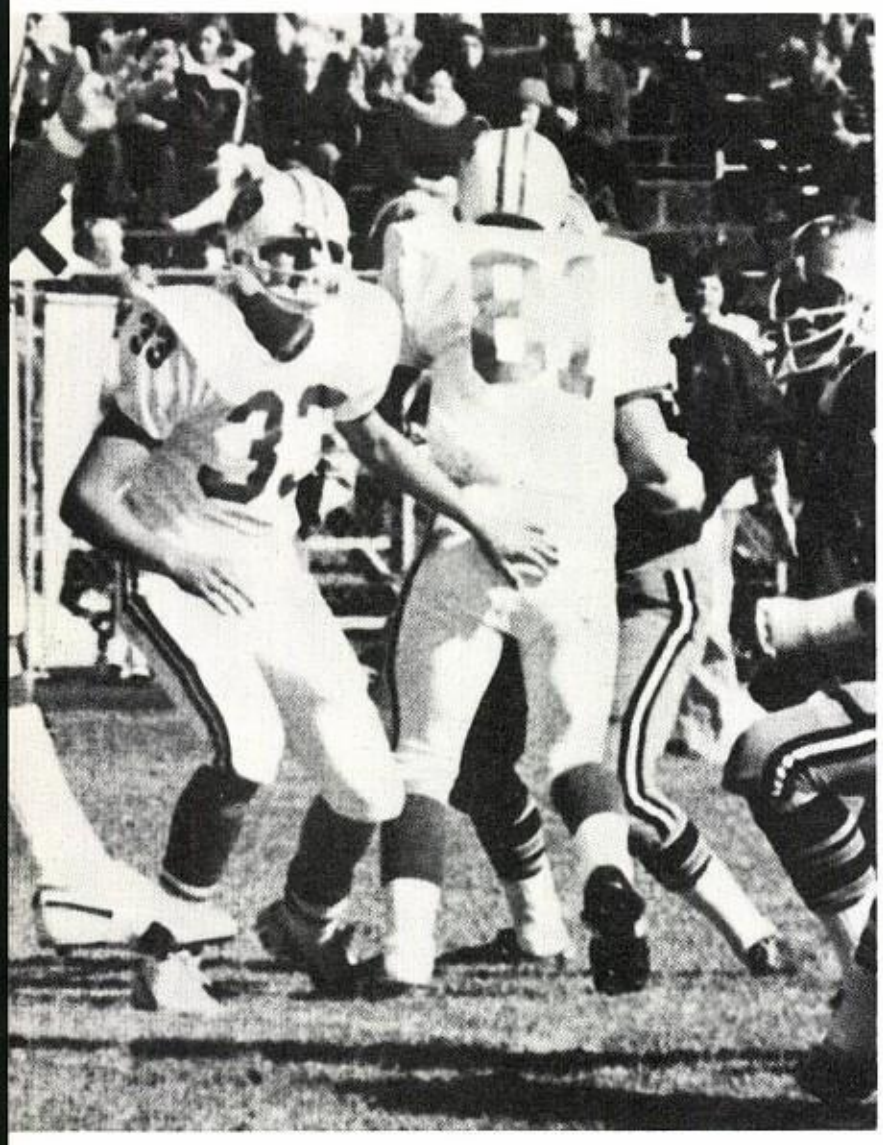
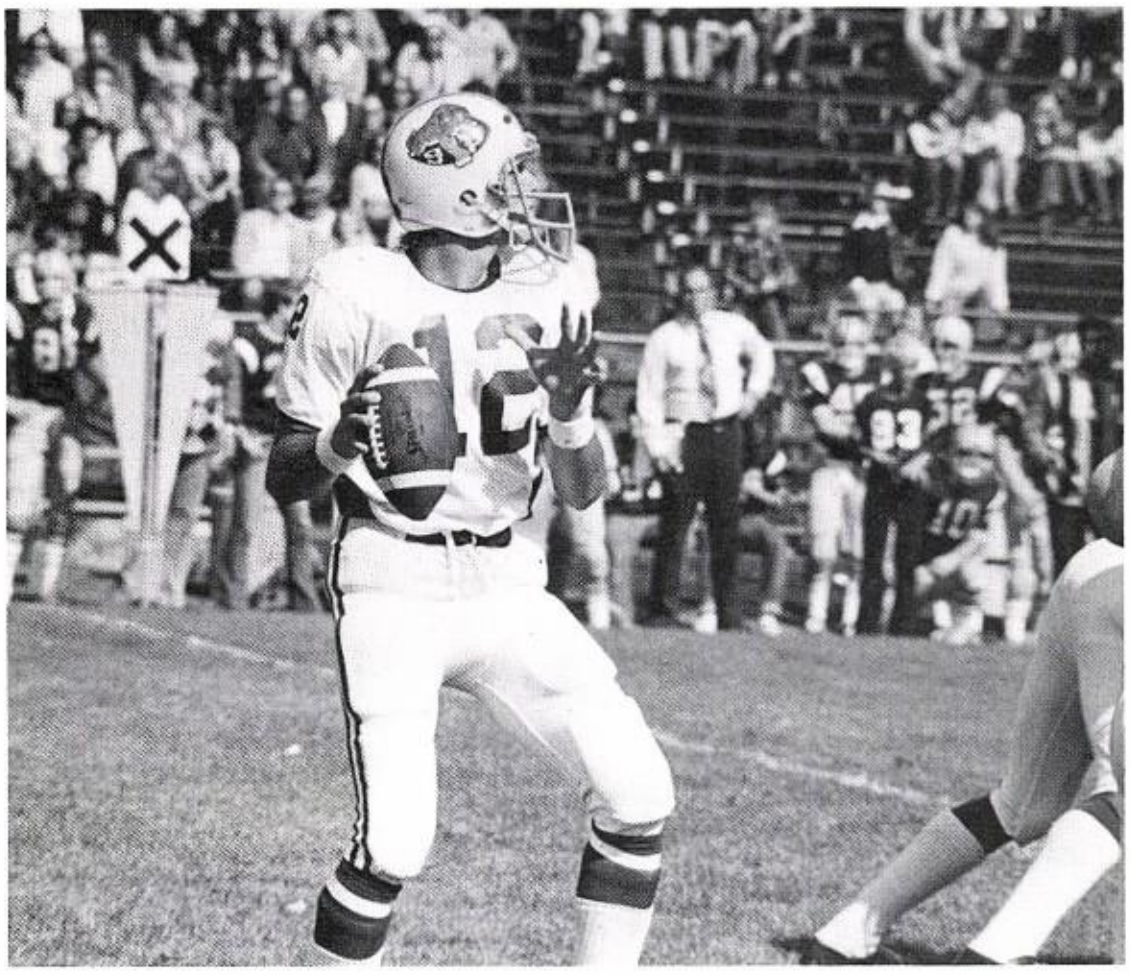
GO TIGERS BEAT THE CANUCKS!

Looking





Unpredictable is the key word which could best describe the 1974 football season. The Tigers compiled a 4-5 record, including two outstanding wins over highly rated Woodbridge and J.F. Kennedy.

The Tigers' offense was sparked by quarterback Mark Riccardi, who threw ten touchdown passes. Most of his completions were to seniors Greg Relyea, Rich Reininger and junior John Petriello, who received 2nd team All-County honors. The potent rushing attack was demonstrated by Hayden Torrence, Bill Dish, Dean Bush, Kevin Sakavich and Bob Thompson. The Tiger's offensive line was one of the best around, including 2nd team All-Area tackle Joe Sulovski, two year starters Joe Danyo and Tim Ford, tackle Tom Daly and center Pat Buckley also were highly regarded around the conference.

South Plainfield's defense was headed by linebacker Bob Thompson, who received 1st team All-County, 1st team All-Midstate Conference and 2nd team All-Area honors for his efforts. Others who wound up in the always tough linebacking spots were Joe Danyo, Jeff George and Don Deakyne. Joe Sulovski, Dan Santoro and Tom Ritchie were impressive standouts in the Tigers defensive line. Sulovski was voted to the WERA All-Star team for his efforts on defense. The defensive backs were led by senior Roy Levandowski and juniors Fred Behr and Rick Hedden. The defensive end spots were filled by an alert and tough Hal Wyckoff, Jack George, Fred Mercier and John Petriello.

Rich Reininger was the key man on the specialty teams, kicking two field goals and punting for an amazing 42.7 average which gained him 1st team All-County and Mid-State Conference honors.

A dismal part of the Tiger's season were the injuries received by Ken Goul, Mike Downs, Glenn Boltzand, Joel Mirra.

At the end of the season awards were presented at the lettermen's dinner to Joe Sulovsky, Lineman of the Year, Dan Santoro, Most Improved Player and Bob Thompson, Back of the Year and Most Valuable Player.

The cheerleaders have worked very hard this year to perfect their cheers. All summer long they had early morning practices in the school parking lot and regular practices during the school year. This year's Varsity squad consisted of four seniors, six juniors, one sophomore and two dynamic Tiger mascots.

To start off the fall season and to boost school spirit, the cheerleaders decorated the halls and the team room, organized the pep rallies, and served breakfast before the Saturday football games. They also cheered for the soccer teams.

The cheerleaders participated in many competitions during basketball season. This year has been a very rewarding time for the girls, thanks to Miss Nancy Erickson, advisor, and all the people who took an active interest in making this year a very special one.

The 1974 Cross Country season was highlighted by the fine effort of Captain Ron Gaither. Ron broke the school and course record. Another highlight of the season was a big win over North Plainfield. Tigers Have Rebuilding Season

This year's Varsity Basketball team had a disappointing season, compiling a 5-20 record. Size and lack of experience hampered the Tigers all year. Captain Art Mathews, who was the team's leading scorer, was the only returning starter. Jeff Stolarz, who is only a junior, led the team in rebounds. Other players who contributed to the team were seniors Rich Reininger, "Moe" Lanza, Alan Thomas and Joe Zahuta. Junior Mike Reid provided the team with many outstanding performances throughout the season.

Underclassmen Bernie Cisson, Rich Columbus, and Tom Cox all started and should bring back the winning ways to South Plainfield High.

J.V. Basketball Team

The 1974-75 Tiger J.V. team finished the season with a 14-6 record.

Largely responsible for this fine record were several strong and consistent performances throughout the season. Pete Eckel did the job of getting the ball off the boards all season long. Bobby Lanza was the leading scorer, while Fred Behr, team captain, provided the club with fine ball handling and solid defense. All three loom big in future varsity plans.

Other players giving consistent performances all year were Mike Flannery, Jeff Hillman, Mike Berkowitz, Phil Rourke, and Tom Cox.

Hopefully these young "Tigers" will transfer their talents to the varsity floor next season.

The 1974-75 Freshman basketball team completed a successful season, finishing 19-3. Among the standout players were Bob Pelligrino, who led the team in scoring and steals. Also, Ed Insel provided many points and size inside. Joe Scarpito and Mike Sikanowicz split the other inside positions. The other regular guard was Alan Morin, who provided a good defensive effort. The fifth staring position was filled by a variety of players including Bob Bach, Rich Little, Joe Macellara and Floyd Vessels. Steve Bennet, Keith Murphy and Doug Smith contributed support in many situations.

With the dedication and concentration of all these players, the future looks good for their basketball program at South Plainfield High.

In the Spirit of Sadie Hawkins

On the night of November 15 the girls of S.P.H.S. escorted the guys to a dance where plaids, patches, and pigtails flourished.

Sponsored by the Student Council, the annual Sadie Hawkins Dance was held in the South Plainfield Middle School. The band was Little Jimmy and the Starlights.

Highlights of the evening included appearances by Daisy Mae and L'il Abner, marriage ceremonies performed by Marryin' Sam, and pictures taken of the couples amidst havstacks. It appeared that a good time was had by all.

Selected each year by fellow classmates, members of the Student Council work diligently throughout the school year. Their main purposes are: upholding student rights, providing activities in the form of assemblies, and seeing that the voice of the student body is heard in special issues.

This year's accomplishments have so far been: the reinstating of smoking privileges for students, the successful crowning of the Homecoming Queen, the traditional Sadie Hawkins Dance, and a concert featuring Johnny Maestro and the Brooklyn Bridge, The Belmonts, and Vito and the Salutations.

Choir president, Linda Barrett and Nancy Fallon perform a duet.

The South Plainfield High School Choruses are among the most active singing groups in the state of New Jersey. The Traveling Choruses; the A Cappella Choir, Emeralds, and Jades, performed over fifteen programs during the school year. In addition, the Mixed Chorus, Advanced Chorus, and Madrigal Singers performed in the PTA Christmas Concert, the Spring Choral Concert, and the All-District Festival. More ambitious and talented vocalists compete in the tryouts for Central Jersey Chorus, All-State Chorus, All-Eastern Chorus, and Open Festival Solos. Mr. Peter E. Franks directs all the choral activities.

Left right left . . . It's true that their backs may be aching, but the reward has been great! With the help from advisor Mr. "D" and the Fort Monmouth Drill Team, the squad has proudly entered competitions with the hopes of taking honors. Good times have been shared during football games, pep rallies, parades, and other band events. Throughout the year, drills have been maneuvered with precision. It is hoped that the skills obtained and the friends made will remain an important part of each girl's memory.

Tigerrriffic . . .

The Tigerettes added much color and spirit to this year's Marching Band. Their snappy routines and precision drills displayed much talent. The hours of hard work have been rewarded by a trip to the Apple Blossom Festival in Virginia. The success of the season and the moments shared by all will long be remembered. Helpful advice by Advisor Linda Knoblauch has been greatly appreciated.

C3 . . . This year has brought with it many hours of hard work for which the girls have only fond memories. The season opened with parades, football games and continued throughout the year with pep rallies and competitions. Two highlights of this year have been the fire twirling routine performed by senior twirlers at the Thanksgiving Day Football Game, and the trip to the Apple Blossom Festival in Virginia. The lasting friendships and good times shared by all are never to be forgotten.
Much appreciation goes to the Advisor Donna Stahura. Twirlingly yours . . .

We Learn Through Our Discoveries

The Science Club is a newcomer to the Activities scene this year, but promises to be an exciting one. Students engage in those fields of Science of which they show particular interest and expand their knowledge outside of the classroom through trips and experiments. This year a trip to Sperry Observatory and the Watchung Mountains for a nature hike in the snow were taken. A Science Fiar was organized and sponsored by the Club in May. Members are: David Hough, Jeff Lehr *Co-Chairmen,* Sharon Proesch, *Secretary,* Gary Haines, *Treasurer,* Gail Haines, Emile DeVito, Pamela Rosen, James Baszika, Kevin Maxwell, Frank Coppola, Kenneth Kuo, Karen Kuo, April Proesch, Judy Franchak, Debbie Deppen, Cindy Maurer, Karen Lynch, Mike Marsh, Steven Schuch, and Wayne Pein. Advisor is Mr. Bob Goode.

The Math Club and Team meets to do puzzles and other problems not ordinarily encountered in the classroom. These talented students match their mathematical skills and ability against that of other schools throughout central New Jersey during monthly meets. Members seated below from left to right: Lisa Burgess, Gail Haines, David Hough. Standing from left to right are: Advisors Bruce Yaches, and Kenneth Deveney, Donald Fry, and Emile DeVito. Missing from picture are: David Altenau, Susan Geurts, Alan Thomas, and George Viola.

Towtown Jerseymen

The Jerseymen are: Sarah Wilson, *President,* Donald Starr, *Vice President,* Roberta Mehaffey, *Secretary,* Dennis Stewart, *Treasurer,* Joan Sekol, Sherri Pugh, Karen Kuo, Judy Franchak, Debbie Licato, Frank Licato, Rhonda Leck, Barbara Athanson, Terri Stead, Leona Stead, Susan Stryker, Elaine Valentino, Debra Sterling, Elisa Lewis, Cindy Maurer, April Proesch, Robert Ewing, Nancy Thiel, Debbie Todd, Claire Gursky, Be Lemley, Karen Lynch, Linda Sheehan, Janet Lefkus, Mary Beth Neal, Adrienne Williams, Joe Garsky, Kathy Noonan, and Bob White. Advisor is Mrs. McMeekin.

The Towtown Jerseymen Club is a historical organization open to those students having a special interest in history. The club's chief function is to uphold the five R's: Reading, Researching, Reproducing, Restoring, and Rendering. Activities for the school year included research on the Lenni Lenope Indians, research on historical sites in South Plainfield, and a production of an oral history of this town obtained by interviewing Senior Citizens. Other events included conventions, a trip to Flemington, and fund raisers such as a pancake breakfast and banner and candle sales.

Tiger Talk

Above: left to right: Exchange Editor — Pat Abbott, Editor — Dan Murano, Feature Editor — Judy Scott, Sports Editor — Harold Evegan, and Copy Editor — Debbie Licato. *Below:* Tiger Talk Staff gathers to discuss plans for the next issue.

Tiger Talk has taken on a new format this year in its attempt to keep up with everyday school life and special events. Under the guidance of advisor Miss Angioletti, the staff consists of: Linda Barrett, Deidre Berry, Sue Ferrante, Dave Flesher, John Graf, Jeff Lehr, Dave Nuber, Elisa Lewis, Mike Marsh, Eileen Olsen, Joe Scalera, Sue Stryker, Debbie Kaplan, Steve Murtha, Cindy Tierce, Sherri Pugh, Reenie Atcachunas, Glenn Evans, and Meg Cotoia.

Literary Magazine

The Literary Magazine in its fourth year of publication allows the students to put thoughts into words in the forms of poems and short stories. Creative sketches are also found in the booklet. This year's coordinators assisted by Miss Joan Tarte are: Patti Abbott, Laura Tenney, Debbie Kaplan, and Elisa Lewis. Other staff members include: Judy Hurtack, Deirdre Berry, Susan Stryker, Steve Murtha, Elaine Valentino, Glenn Evans, Mark Grare, David Nuber, Judy Scott, Dan Murano, Steve Saley, Bob Publik, Mary Beth Neal, Lorainne Green, and Leslie Barg.

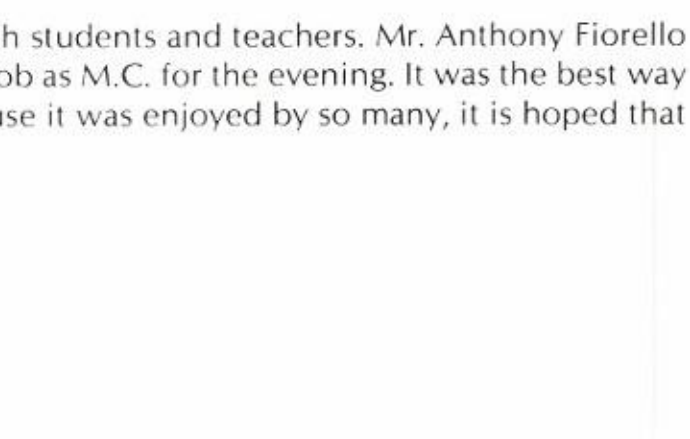
Cindy Verdolina captures the audience as she performs tap dance routine.

In Barber Shop Quartet style, Charlie Vakerich, Bob White, Gerald Dewys, and Mark Pleasant harmonize to "Coney Island Baby."

The combined voices of Rita Richardson, Shawn Gaines, and Jackie Grant form a group known as "Rishaja."



Nancy Fallon, accompanied by Mr. Fiorello, puts on a spectacular performance.

This year's Talent Night was a great success due to the cooperation of both students and teachers. Mr. Anthony Fiorello and Mrs. Thomas Seiz coordinated the event and Wendy Roberts did a fine job as M.C. for the evening. It was the best way in which the fine talent of the students of S.P.H.S. could be exhibited. Because it was enjoyed by so many, it is hoped that Talent Night will become an annual event.

The Beauty of Skiing

Although "New Jersey winters" have sided against skiing in the past several years, it seems as though an additional problem arises for skiers with each new season. Last year it was a lack of gas and this year it was a lack of money. Due to poor turnouts of S.P.H.S. ski members, the two ski clubs (Fresh./Soph. and Jr./Sr.) were combined. Another change for this year's ski club, headed by advisors Bruce Bertucci and Richard Knoblauch, was the start of Sunday ski trips.

Although the week-end ski trip to Vermont was cancelled, the S.P.H.S. ski club enjoyed the slopes at Great Gorge and Vernon Valley in N.J. and at Camelback in Pa.

It is a beauty felt and difficult to convey, so personal is it. The secret of skiing releases the body and fills the mind. It will never leave.

Why do people get hooked on skiing? It can't be avoided.

As the first graduating class of the new open-space concept high school, we the senior class will always look to the cherished moments and friends we will leave behind. With us we will bring our fond memories of four years at South Plainfield High School.

Our class officers for this memorable year were Richard Reininger, President, Michael Lanza, Vice-President, Janice Stahura, Secretary, and Eileen Olsen, Treasurer. They and our advisors, Ms. Vail and Mr. Fiorello, coordinated the final activities of our senior year to make it a successful one.

Among the hectic activities of this year we found time to enjoy our trip to Fernwood in the Poconos . . . go through never ending rehearsals for the hit Senior Play, "Plaza Suite" . . . sponsor an exciting talent show . . . put out the best Regit (with color) . . . plan and absorb the formality of the evening of the Senior Prom . . . practice sadly for the graduation . . . bring to a close our best year yet.

Graduation means alot to us all. It means a close to a four year chapter in our life which we will never open again. But it also means a beginning to a new chapter in which we will all look towards bigger, better, and more exciting things. We leave with hopes of retaining our fond thoughts of S.P.H.S. until we meet again.

Until We Meet Again

Consulting the calendar of events are Senior Class Officers and Advisors, Michael Lanza, *Vice-President,* Eileen Olsen, *Treasurer,* Ms. Vail, Janice Stahura, *Secretary,* Mr. Fiorello, and Rich Reininger, *President.*

"Then said a rich man, Speak to us of giving.
And he answered: You give but little when
you give of your possessions. It is when
you give of yourself that you truly give.
And there are those who have little and
give it all, There are those who give
with joy, and that joy is their reward . . ."

Sunrise ——

the dawn of new life in Spring,
the beauty, the warmth, the love;
all are gathered as friends meet,
sharing laughter and life.
In the glorious dawning we learn to trust, to give, to share.
The world is ours.

Yet we cannot control this life of ours,
this joy, this love, this faith in tomorrow.
When we lose a friend, we lose a part of ourselves ——
We too are diminished,
and though we hold fast to memories,
we begin to see the dim shadows,
reminding us that the brightest sun fades,
and quietly we remember ——

Sunset.

The cold darkness of winter melts into the warm brightness of our final spring . . . the class of '75 . . . the sadness of leaving cherished friends . . . the anticipation of a new world . . . so much going on . . . a time to reflect . . . an editor remembers . . . with special thanks to . . .

Miss Joan Tarte, who was not only an advisor but a friend, understanding, encouraging and guiding us to make Regit *'75 the best yearbook ever; Mr. Bob Saul, our financial advisor who organized our sales and campaigns, carefully watched over our funds, and cooperated with us through the year; Mr. Ellis Williams, for always being there when we needed him most, shooting, developing and setting up many pictures which meant so much to all of us; Mr. Jerry Alcaro, for finding furniture for us for the publications room; Mr. George Franklin, our Taylor Publishing Company Representative, for making it possible for us to have color and being there to solve any problems we ran into; Mr. Greg Costich the Photographer who had patience and great understanding and for giving us the best candids and posed pictures;* The Reporter *for supplying us with many important pictures; The Faculty for their great cooperation; Joan Sekol and Sarah Wilson, our Curriculum Editors, Bobby Thompson, Karen Larsen and Denise Dispensa, our Sports Editors, Karen Lynch and Janice Stahura, our Activities Editors, Ted De Wys our photographer, Steve Saley, our Artist, Mary Beth Neal, our Sales Editor, David Nuber and Keith Fallon, our Advertisements Editors, Karen Krausse, Nancy Blanchard, and Patti Staub our Senior Editors; as well as Lisa Ferraro, Danny Murano, Cindy Maurer, John Graf, Sharon Diller, Marianne Stanczak, and Selena Cooke, for their faithful attendance to meetings, cropping photographs, doing layouts, identifying pictures, typing, drawing, writing stories, understanding . . . responsibility, dependability, inspiration, imagination, and creativity; but even more for those close friends who worked with me for their moral support, help, patience, understanding, and most of all their hopefully endless friendship.*

The Cherishable moments of the 1974-75 school year have come to an end but our fondest memories are alive and refreshed within the covers of this book. You need only flip through the pages to see a familiar face . . . a memorable event . . . a club that meant so much to you . . . a teacher who challenged your thoughts and inspired you. The doors of 1975 have closed but life will go on and memories will last forever, and ever, and ever . . .
